## **DETAILED ACTION**

### ***Election/Restrictions***

1. Applicant's election with traverse of Group I in the reply filed on 9/26/2005 is acknowledged. The traversal is on the ground(s) that the Examiner has previously examined the restricted claims. This is not found persuasive because inclusion of the kit/apparatus claims constitute a serious burden as the Examiner has become aware of additional search areas needed for these claims. Such a search would not be required for the method claims.

The requirement is still deemed proper and is therefore made **FINAL**.

### ***Information Disclosure Statement***

2. The information disclosure statement (IDS) submitted on 5/27/2005 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner. However, this submission is being lined through on the IDS, as foreign search reports do not typically appear on the face of any subsequently issued patent.

### ***Allowable Subject Matter***

3. Claims 1-20 are allowed.
